Congratulations on your engagement!

Thank you for reaching out and considering The Crofoot Ballroom for your special day. We're honored to be part of such an important moment and excited to learn more about your wedding plans.

We will be reaching out shortly to set up a tour and answer any questions you may have, but first, we'd love to share a bit more about our venue:

The Venue

Our one-of-a-kind atmosphere and flexible facility offer couples a fun, stylish alternative to the traditional wedding venue. Our capacity ranges from 50 people (or less if you like) for an intimate gathering, or choose 225-250 of your closest family and friends with a live band to rock the night away, all the way up to 275 fun loving guests and a DJ to drop beats and keep the dance floor lively. We make it easy to scale your event based on your priorities and provide creative options to make it happen.

The Crofoot complex is historic yet modern—full of character, yet adaptable to many styles. For nearly two decades, we've built a reputation for imaginative, fun-filled events and sophisticated production. Some of our unique perks include:

- A venue with history and a legendary musical legacy—a perfect backdrop for a memorable celebration.
- An exceptional bar package, with one of the largest inventories in the area.
- Acoustic and production excellence, ideal for toasts, dance parties, live performances, or video montages.
 - Crystal-clear audio throughout the space—whether you're sharing a quiet first dance or turning up the energy for a packed dance floor.
 - Dynamic dance lighting: intelligent systems, strobes, and color washes that sync to the beat for an immersive experience.
 - Custom ambiance tailored to your vibe—from soft romantic glows to high-energy club-style lighting.
- Five unique rooms to enhance the guest experience throughout the night—including a private outdoor patio with its own bar.

Above all, we care. We care about you, your story, and the experience we deliver. Our goal is to create memories that last a lifetime—for you and your guests.

Simply put: we're not your ordinary wedding venue, nor do we want to be.
